I. PURPOSE

The Finance and Administration Cabinet (Cabinet) abides by the requirements and regulations for sick leave sharing set forth in [KRS 18A.197](#) and [101 KAR 2:105](#). This Cabinet procedure defines the processes by which employees request or donate shared sick leave.

II. ELIGIBILITY

The Cabinet has the discretion to approve requests for shared sick leave for eligible employees. Refer to the statute and regulation above for a full explanation of the requirements. In general, an employee eligible to receive shared sick leave:

- Has full-time status; and
- Has exhausted or will exhaust all sick, annual and compensatory leave balances, and
- Suffers from or has a member of his or her immediate family who suffers from a medically certified illness, injury, impairment, or physical or mental condition which has caused, or is likely to cause, the employee to go on leave for at least ten (10) consecutive working days; and
- Has a certification from a licensed physician as to the medical need.

An employee cannot apply donated sick leave prior to the date the shared sick leave request is submitted.

III. PROCEDURE
